CALL TO ORDER:

Chairperson Kawazoe called the meeting to order at 11:00 a.m.

OPENING REMARKS:

Chairperson Kawazoe shared information regarding procedures for virtual board meetings:

- The following board members, in addition to the Chairperson, are participating in today's virtual board meeting and have established audio and video connection.
- Board members shall be visible and audible to other members and the public during meetings.
- This board meeting will be recorded and all committee meeting minutes will be posted on HTSB's website.

ROLL CALL TO ESTABLISH QUORUM:

Chairperson Kawazoe called the roll and established quorum.
All twelve (12) board members were present.

DISCLOSURE FROM BOARD MEMBERS AT PRIVATE LOCATIONS:

Chairperson Kawazoe shared information regarding private location disclosure:

- Board members shall be considered present at the meeting for the purpose of determining compliance with the quorum and voting requirements of the board.
- Board members who are not participating at the Board's public location must announce who is at the remote location with them. Minors do not need to be identified unless they have a personal business, property, or financial interest in an issue.

Chairperson Kawazoe asked board members if they have anyone present with them at their non-public site that they need to disclose.

- No disclosures were made.

ADDITIONAL PROCEDURAL INFORMATION:

Chairperson Kawazoe shared additional information regarding meeting protocols and procedures:

- As a reminder, all board members wishing to speak should raise their hand and the Chairperson will be notified to call on the person. The speaker must state their name prior to making their remarks.
- Votes will be conducted by roll call so that it is clear how each board member voted.
- Members of the public who have signed up to testify or would like to testify online must be logged into Zoom using the same name they used to sign up for testimony. Please use the Chat Box to provide your name and the agenda item(s) you are testifying on. Testifiers today will have two (2) minutes to testify. Anyone who missed the opportunity to testify before the relevant agenda item will be allowed to testify at specified portions of the meeting.
- Testifying online can be challenging due to technical issues. The Chat Box is being monitored by HTSB staff, and the Chairperson will be notified that you would like to testify, and you will be called on to give your testimony at the appropriate times in the agenda.
- Written testimony received more than forty-nine (49) hours before the meeting has been uploaded to the online meeting agenda for members to review.
- A meeting held by interactive conference technology shall be recessed for up to thirty (30) minutes when audio communication cannot be maintained with a quorum of members, provided that the meeting may reconvene when only audio communication is reestablished.

ANNOUNCEMENTS:

Chairperson Kawazoe welcomed new board member Keahi Makaimoku, Chair, Native Hawaiian Education Council (NHEC.)

TESTIMONY, PETITIONS FROM THE PUBLIC: None

APPROVAL OF MINUTES:

The minutes from the September 16, 2022, meeting were approved as corrected.

- Board Member Sean Bacon's name was corrected to "Sean Bacon for Keith Hayashi."

EXECUTIVE DIRECTOR'S REPORT:

Executive Director Villalobos submitted her report to the board with one amendment:

- Number of Licenses/Permits Issued SY 2022 – 2023: (Page 5)

July 2022	1,029	
August 2022	630	Corrected Count
Year-To-Date	1,659	Amended Total
- Charter School Emergency Hire Numbers are not included in this report as the information is still being gathered. It will be included in the November 2022 report.
- Executive Director Villalobos also added a Travel Update: She will be traveling to Boise, ID to attend the NASDTEC Professional Practices Institute (PPI) with HTSB Chairperson Kawazoe, Licensing Specialist Murakami and two Deputy Attorney Generals in the Education Division. It will be held on October 19 to 21, 2022. The PPI is a specialized conference addressing issues of educator misconduct, screening and background checks and other related topics.
 - While in Boise, ID, she hopes to get an update on the Teacher Compact. She will be reporting back to the board at the November 2022 meeting with any of the findings. It is a great way to connect with other state boards who usually bring their attorneys as well. They can talk about what's happening nationwide with educator misconduct, teacher shortages, and how the vetting process is going for other states. Are they upping or lowering barriers? This will be interesting, especially when Hawaii is participating in reciprocity.

Discussion:

Board Member Moriarty thanked Executive Director Villalobos for her report.

She stated that she was interested in reviewing the data and had two questions:

1. Was there anything in those numbers that surprised her?
2. Were there any trends that she would recommend that the board pay particular attention to?

Executive Director Villalobos provided the following answers:

1. One thing that keeps popping up is in the "Educator Preparation Program Survey Data SY 2021-2022." (Pages 9 to 11)

Applicants who are applying for the first time: We can see their feelings towards how they were prepared.

 - The numbers have indicated that they want more integration of Hawaiian language, history and culture into the curriculum of their program.

- We also see the number of those participating in an Individualized Education Program (IEP).
- 2. This is good information for the future when the board makes decisions.
 - Usually, these two numbers always have the highest volume when it comes to, “What would you like to see enhanced in the delivery of your preparation program?”
 - The application numbers fluctuate, depending on the time of year. July is a big month because the Department is hiring teachers and August is a lower amount of licensing. However, it does take a while to process and it does not account for the time in which it takes to process a license. Sometimes it can be very quick because they have all of their documents up and they follow the directions on the application. The Licensing Specialist can then process their application in a timely manner. However, when they don’t have their documents, forgot they had a message to upload documents, or are waiting for transcripts, it creates a longer application process.

LICENSING UPDATE: Raymond Rodriguez

1. Trends in Licensing:

In addition to Board Member Moriarty and Licensing Specialist Rodriguez, other people may be looking for trends in licensing.

Executive Director Villalobos’ report has an “Emergency Hire Teachers HIDEOE by District Chart.” (Page 7)

In looking for trends in licensing, Licensing Specialist Rodriguez always scrolls to this chart to see which districts are growing and which districts are about the same. It might be a way to think about in terms of resources needed, support needed and information we can give to our EPPs as well. This is always something that he looks at first. He is glad that we have this data to share with the State.
2. HTSB is still working really closely with the DOE’s OTM (Board Member Sean Bacon’s group) on the unlicensed teachers. We are very thankful to be able to work so closely with them as well as the schools and principals.
- Every month, we are going to continue looking at who does not have a license or permit so that we are able get the numbers down as low as possible. Hopefully, there won’t be fines or teachers put on leave.
3. The number of Emergency Hire permits is growing.
4. The messaging through HTSB’s licensing system has increased and is becoming more efficient. This has been very helpful.
5. In Executive Director Villalobos’ report, the number of people that have had a positive HTSB Customer Service experience is over 80%. (Pages 8 and 9)
6. We continue to stress the need to get accurate information out to all the schools, principals and teachers, and that teachers are being licensed or permitted before they are hired.

TITLE: HTSB's Executive Director Compensation

The Hawaii Teacher Standards Board approves the following compensation for the Executive Director:

Effective immediately, Executive Director Felicia Villalobos will receive an annual salary matching EO 10 Step 7 Salary Range. Her pay will be retroactive to her official start date, July 1, 2022.

Background:

Director Villalobos has been in temporary assignment as HTSB's Interim Executive Director since May 1, 2021 ([NBI 20-24](#)). At HTSB's August 31, 2021, Board meeting, [NBI 21-04](#) established a Permitted Interaction Group (PIG) relating to the search of HTSB's new Executive Director. On November 19, 2021, the PIG updated the board on the search for HTSB's Executive Director. At the Board's March 4, 2022, meeting the PIG [discussed](#) its findings and provided the Board a recommended candidate for approval. On April 29, 2022, [NBI 21-49](#) approved Director Villalobos' recommendation to the Board of Education (BOE). At the BOE's June 16, 2022, meeting, Director Villalobos was approved as the Hawaii Teacher Standards Board new Executive Director with the start date of July 1, 2022.

Subject: HTSB Executive Director Position

Dear Ms. Horikawa:

This letter is to inform you that Ms. Felicia Villalobos has been formally appointed as the new Executive Director of the Hawaii Teacher Standards Board. Ms. Villalobos' selection was approved by the Board of Education at their June 16, 2022, meeting.

Since May 1, 2021, Ms. Villalobos has been on Temporary Assignment in the Executive Director position. Effective immediately, the Hawaii Teacher Standards Board would like to give her a base salary matching the EO 10, Step 7 Salary Range. This base salary will be retroactive to her July 1, 2022 start date.

Please contact HTSB secretary Elaine Hutchinson at (808) 586-2601 or email at elaine.hutchinson@hawaii.gov should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Branden Kawazoe".

TITLE: Recency Policy for Board Approved Licensure Exams

Effective January 1, 2023, the Hawaii Teacher Standards Board shall accept all official passing scores from Board approved exams completed within five (5) years prior to the application of licensure.

Official passing scores from Board approved exams that are older than five (5) years will be accepted on a case-by-case basis.

Rationale/Background:

Part of HTSB's mission is to provide every child in Hawaii with qualified teachers. Aligning Board approved exams with current national content standards and ensuring test validity is one way HTSB can certify that educators are up to date in the content in which they will be teaching.

HTSB's primary testing vendor is Educational Testing Services (ETS). ETS regenerates many of their high volume exams every 5 to 7 years depending on test validity and national standards. Low volume exams are not regenerated as often. ETS only keeps official testing score reports for 10 (ten) years. After ten years, score reports are purged.

**TITLE: Verification of Content Knowledge for Adding a Field to an Active
Valid Hawaii License**

As outlined in Hawaii Administrative Rules (HAR) §8-54-9.5(2), the Hawaii Teacher Standards Board approves the below methods in which an applicant can verify their content knowledge and experience to add a field to an active valid Hawaii License.

Content Knowledge:

Content knowledge for adding a licensure field may be verified by one or more of the following options:

- *Completing a state-approved teacher education program in the content field;
or
- Passing score(s) on licensure test adopted by the Board in the content field;
or
- National Board for Professional Teaching Standards certification in the content field; or
- Content major consisting of a minimum of thirty (30) semester hours in the content field for a bachelor's degree awarded by an accredited institution of higher education; or
- A minimum of thirty (30) semester hours in the content field from an accredited institution of higher education, at least fifteen (15) of which must be upper-division level (all coursework must be directly related to the content field in which an added field is being pursued); or
- A master's, specialist, or doctoral degree in the license field awarded by an accredited institution of higher education.
- For Elementary Education K-6 licensure:
 - a total of thirty-six (36) semester hours, including nine (9) semester hours in each of the following four core content areas:
 - language arts,
 - mathematics,
 - science, and
 - social studies.
 - All core content area courses must be related to Elementary Education and at least three (3) semester hours in each of the core content areas must be upper-division level.
 - If all four (4) core content areas cannot be met using coursework, a passing score on a Board approved Praxis test in the content area may be used in conjunction with coursework.

The applicant will identify the specific course(s) pertaining to the license field sought. Additional documentation may be required of the applicant to ensure the coursework directly relates to the content field in which an added field is being pursued.

*Certain license fields may only be added by completing a State Approved Teacher Education Program (SATEP).

Content knowledge and experience must be verified prior to adding a license field to an active Hawaii license. Verification of experience will be in accordance with HAR

§8-54-9.5 (cited below).

Rationale/Background:

The HTSB policy that speaks specifically to content knowledge is outlined in [NBI 12-29 Revised](#). This NBI addresses content knowledge requirements specific to Hawaii Educator Preparation Programs. In accordance with HAR §8-54-9.5(2), this NBI would specifically address content knowledge requirements for adding a field to a license.

Hawaii Administrative Rules §8-54-9.5

§8-54-9.5 Adding a field to a license. (a) If a licensee wants to add additional teaching fields to their teaching license the person shall:

- (1) Complete a state-approved teacher education program that includes appropriate experiences in a P-12 setting in the new field; or
- (2) ***Submit documentation of meeting content knowledge verification for licensure in the new field using a method specified by the board and submit one of the following:***
 - (A) The equivalent of one (1) year of satisfactory half time or more contracted P-12 teaching experience in the new field within the last five (5) years of application date; or
 - (B) Submit verification of three (3) or more years of contracted P-12 experience within the last five (5) years of application date in the same 54-20§8-54-9.5 license grade level span under a Hawai'i Standard License or its equivalent in another state; or
 - (C) Submit passing scores on a pedagogy licensure examination approved by the board in the new grade level; or
 - (D) Submit verification of previous completion of a state approved educator preparation program in the same license grade level as the new field; or
- (3) Possess an Advanced License in one field and submit one of the following:
 - (A) The equivalent of a content major in the new field; or
 - (B) Passing score for the subject area test in the new field; and
 - (C) The grade level(s) of the new license field(s) must be the same as the existing license level(s) unless the applicant submits verification as outlined in 8-54-9.5 (2) A -D for the new level(s).

(b) Adding school librarian, reading specialist, literacy specialist, and early childhood education as a field shall be subject to the provisions of (a) (1) of this subsection.

*including School Counselor ([NBI 21-12](#))

(c) Upon submittal of appropriate documentation of the method selected by the licensee and receipt of the required fees, and subject to meeting all requirements, the board will add the new field to the license. The licensee's license will include the new teaching field and be subject to the same expiration date for renewal of the current license.

TITLE: State Approval of University of Hawaii at Hilo's Teacher Leader Program

The Hawaii Teacher Standards Board grants continuing state approval for the University of Hawaii at Hilo's Teacher Leader Program. This program will be incorporated into UH Hilo's annual reports and next accreditation cycle, January 1, 2022-June 30, 2028.

Degree or Certificate granted by the institution or organization	State Certificate, License, Endorsement, or Other Credential
Master of Education Degree (M.Ed.)	Added Field: Teacher Leader

Rationale/Background:

The University of Hawaii at Hilo's Teacher Leader Program was approved by the Board on November 16, 2018, [NBI 18-12](#). The Board's approval gave UH Hilo's Teacher Leader Program provisional approval effective November 16, 2018, through December 31, 2022.

On September 17, 2021, the Board approved [NBI 21-06](#). This NBI grants the University of Hawaii at Hilo Educator Preparation Unit and Programs continuing state approval by the Association for Advancing Quality in Educator Preparation (AAQEP) from January 1, 2022-June 30, 2028.

UH Hilo's Teacher Leader Program was not included in AAQEP's review for continuing state approval. In order for this program to be in compliance with HTSB's administrative rules §8-54-24 and §8-54-25, this program submitted a Substantive Change Request to AAQEP for review. AAQEP completed a thorough review of this program and granted approval for this program to be incorporated into UH Hilo's next accreditation cycle: January 1, 2022-June 30, 2028.

This NBI will be sent to the provider on behalf of the Board to communicate this decision.

AAQEP's Substantive Change Report is attached to this NBI.

Substantive Change: AAQEP Response
Provider Name: University of Hawaii at Hilo

Substantive Change Submission Date: July 11, 2022

Provider Primary Contact: Jan Ray, Director, School of Education

AAQEP Staff Respondent(s): Sungti Hsu, Chief Relations Officer & Karen Lowenstein,
Director of Member Services

Dear AAQEP Member,

Thank you for notifying AAQEP of program changes via the Substantive Change form. AAQEP recognizes that programs evolve and that preparation leaders and faculty continually make decisions about program modifications including but not limited to program content, delivery mode, program additions, branch campuses, and program removals. AAQEP has a responsibility to review changes that occur between the time of program reviews to assure the public that all aspects of the program continue to meet AAQEP standards for quality.

This response form acknowledges the changes to your program, provides a brief response based on AAQEP's review of those changes, and indicates any next steps (if required).

Thank you for your continued commitment to quality, improvement, and innovation.

Mark LaCelle-Peterson
President and CEO

2021 Substantive Change: Overall Response

☒ Complete and no further action required. The provider's program quality is maintained and the change falls within the provider's current scope of AAQEP accreditation.

This response is checked when the provider has submitted notification of the change and any documentation required to support that change. This response also means that no further assessment of program quality is warranted. The change will be incorporated into the provider's annual reports and next accreditation cycle.

☐ Complete with response required (see final section of this response form)

This response is checked when the provider has submitted notification of the change and additional documentation is required (e.g., approval letters from state regulatory agencies). This response also means that no further assessment of program quality is warranted. The change will be incorporated into the provider's annual reports and next accreditation cycle.

____ Additional information requested (see final section of this response form)

This response is checked when AAQEP staff is unclear about the content or scope of the change or the review suggests that an assessment of program quality may be warranted.

Substantive change

Category of change as noted by Provider in the google form

Program addition, adding the Teacher Leader program to the scope of AAQEP accreditation.

Brief acknowledge of description of change as articulated by Provider in the google form

The Teacher Leader program at the University of Hawaii at Hilo was not included in the original scope of accreditation since it was approved by the HTSB separately in 2018 and was not included in the approval of all other initial programs. The Teacher Leader program was provisionally approved for 2 years. Per State Administrative Code, the provider along with all the teacher licensure programs must be nationally accredited in order to receive HTSB's continuing state approval status. The provider desires to include the Teacher Leader Program as part of the scope of AAQEP accreditation so that the Teacher Leader Program could be continued approved.

Review of change including any submitted documentation

The addition of the Teacher Leader program, as substantiated by the state approval letter (New Business Item (NBI) 18-12), has been documented with AAQEP. This addition falls within Member's current accreditation cycle.

Next steps regarding notification of substantive change (if any)

Questions:

- Grading rubric for the professional development workshop

- Provided and examined
- The grading rubric for the professional development workshop? Appendix A included in the NBI has the description of the assignment but no grading rubric,
 - Grading rubrics are provided subsequently.
- Data from each assignment (Appendix A to F) to demonstrate candidate performance.
 - Data is provided. Candidates from the one cohort performed successfully, above 90%, for each of the assessments given during the program.
- The information about the Master of Education Forum provides details of the 3 expectations. However, it is not a scoring rubric.
 - The scoring rubric is provided subsequently.

Assessments:

- Only one cohort has been completed since the approval of the program in 2018.
- There are a total of 11 program completers from the 2018 cohort.
- There are 8 candidates currently enrolled in the program's 2nd cohort.
- The program's curriculum and assessments have not been modified since their approval in 2018.
- Narrative and numerical descriptions of data provided in the "Details Related to the 2018 Master of Education Forum with Cohort 10" and "More Detailed Explanation of MED Assessment Checkpoints" indicate that all candidates performed well while attending the program.
- Limited follow up data was available from program graduates.
- No program completers have applied for the Teacher Leader License.
- The program, while different from other initial teacher preparation programs at University of Hawaii Hilo, shares the governance structure.

Next steps regarding accreditation

Please include this new program in your annual report. In addition, this new program will be incorporated into the next accreditation cycle.

**TITLE: Consideration of the University of Hawaii at Manoa Letter of Intent to
Plan a New Reading Specialist Added Field Program**

The Hawaii Teacher Standards Board accepts the attached Letter of Intent from the University of Hawaii at Manoa College of Education to plan a new Reading Specialist Graduate Certificate Program.

The program's plans will address an added field for the following licensure field:

Reading Specialist PK-12

The HTSB Executive Director or her designee will work with the program to complete a review. Reports for a review must be submitted within two years of acceptance of the Letter of Intent and the review must be conducted within three months of submission of the report to HTSB staff.

The program may not advertise these programs as Hawaii licensure programs until such time that Provisional Approval is granted by the HTSB.

2. PROGRAM ORGANIZATION AND JUSTIFICATION

Justification for implementing the program. Summarize the current market for this program's completer employment outlook and any other contexts that shape the program.

- Reading Proficiency in students with disabilities has consistently been below 15% in statewide assessments in Hawaii where proficiency scores of students without disabilities are above 50%. Research indicates that with intensive training, special educators can substantially increase the reading proficiency in students with disabilities. Reducing this significant gap in performance of reading proficiency in students with disabilities is on the Hawaii Department of Education (HIDOE) strategic plan and is a priority of the state administrators for special education. HIDOE Special Education administrators requested that the Department of Special Education at the University of Hawaii Manoa develop an intensive reading intervention program to train current special educators across the state to remediate the significant reading deficits that are chronically seen across the state in the reading proficiency of students with disabilities.
- This Reading Interventionist program developed by the University of Hawaii, Department of Special Education in collaboration with the Hawaii Department of Education is a one year, 18 credit, sequence of courses with integrated practicums that meets all of the International Dyslexia Association requirements for program completers to sit for the Center for Effective Reading Instruction (CERI) national exam for **Reading Specialist Certification: Knowledge and Practice Examination for Effective Reading Instruction (KPEERI)**.
- Special Education Teachers completing this program will be prepared for and experienced in:
 - Providing high quality evidence-based diagnostic-prescriptive reading instruction
 - Using data to design and implement reading instruction to bring students' skills to grade-level

- Collaborating and communicating with teachers, administration, and families regarding students' reading performance and program planning
- Using identified research-based interventions focused specifically on individual student needs
- Supporting implementation of assessment tools and data management systems
- Maintaining data-based documentation of continuous monitoring of student reading performance and progress
- Providing data to school teams and participating in decisions about student reading progress
- Providing diagnostic assessments for students as needed

TITLE: Consideration of Provisional Approval of the University of Hawaii at Manoa's College of Education Certificate in Online and Teaching (COLT) Program

The Hawaii Teacher Standards Board accepts HTSB's Review Team recommendation to grant provisional state approval to the University of Hawaii at Manoa's College of Education Graduate Certificate in Online Learning and Teaching (COLT) Program.

The program may recommend candidates in the following added field:

- Online Teaching

The unit shall recommend individuals in the grade level of their existing Hawaii license (K-6, 6-12, or K-12). To add an additional grade level to this license, individuals must also meet HTSB's experience requirements.

Implementation may occur after the target date of January 1, 2023, pending availability of resources.

Program Strengths:

- HTSB's Interstate Teacher Assessment and Support Consortium (InTASC) and National Standards for Quality Online Learning (NSQ) content standards are addressed.
- HTSB Licensure Requirements are addressed.
- Comprehensive training needed for teacher effectiveness is provided.
- College of Education is responding to the needs of its school partner.
- Candidates will be assessed throughout the program to ensure they're meeting the requirements.
- The program includes a comprehensive list of courses in Learning Design and Technology.
- The courses are taught by qualified instructors.

Recommendation for Improvement

- Considering continuous improvement, the program should continue to examine if the assessment rubrics help with the understanding of candidate performance of the knowledge of skills required, and program improvement through data collection.
- Ensure COLT candidates are provided clarity regarding the holistic and comprehensive nature of the three core courses (LTEC 612, LTEC 673, and LTEC 632) as they relate to certification.
- Since the COLT courses address English Learner (EL) students, they may want to consider seeking guidance from the Hawaii Department of Education (HIDOE) regarding reformatting two (or more) elective courses to serve as Sheltered Instruction (SI) eligible courses. This may help make COLT a highly desirable

program for online licensing and ensure compliance with HIDOE SI mandate.

This program must be included in the University of Hawaii at Manoa's annual report to HTSB and its accreditor. This program will be included in the unit's 2028 accreditation review to be eligible for continuing state approval.

Any changes to this program shall be reported to HTSB via their Educator Preparation Provider (EPP) Annual Report. Changes not reported to HTSB in a timely manner may impact the EPP's status or standing with the Board.

HTSB's Executive Director will inform the program of the Board's decision.

PROGRAM ORGANIZATION AND JUSTIFICATION

If this is a new program, attach an organizational chart of your institution/agency and, if applicable, college/school/department showing the placement of this program.

The Program is situated in the University of Hawaii as follows:

- University of Hawaii-Manoa
 - College of Education
 - Learning Design & Technology (LTEC) Department
 - Graduate Certificate in Online Learning & Teaching (COLT)

Online teaching, unlike other certifications, is not a distinct subject area and is not tracked by [DOE employment reports](#), making market assessment difficult. However, the Hawaii Department of Education (HIDOE) routinely offers “standards-based, online classes for Hawaii's students enrolled in any HIDOE public school through [E-School](#). Instructor qualifications require completion of the Online Teaching Level 1 ([PDE3 #CT186400](#)) or Connect! (PDE3 #CT178661) course **AND** the Online Teaching Level 2 ([PDE3 #PD186458](#)) course. These HIDOE

Professional Development courses “can be used to apply for the Online Teacher certification with the Hawaii Teacher Standards Board”. However, we are unaware of a Hawai‘i State Approved Teacher Education Program offering a program of study for adding the Online Teaching field. As such, we believe that this program will fill an unmet need - an avenue to add this field through credit-bearing coursework, potentially as part of an advanced degree program.

The COVID-19 pandemic heightened the need for K-12 teachers to become proficient in online teaching. Most DOE schools transitioned to [distance learning for the 2020-21 school year](#). Furthermore, a [July 15, 2021 Board of Education resolution](#) directed the HIDOE Superintendent to “develop and maintain an easily accessible listing of schools that offer distance learning programs along with a description of the distance learning program” for the 2021-22 school year. This Distance Learning Programs [List of Schools](#) includes 13 schools where teachers provide 75% or more of instruction through synchronous or asynchronous delivery - demonstrating a continued need for teachers with an online teaching skill set.

The HIDOE [2021-2022 Guidelines for Reclassification of Teachers](#) states that “All academic credits earned through a university/college shall be applicable toward reclassification”. Fifteen academic credits, as approved by a teacher’s principal, could be used toward reclassification and any associated pay increase. The fifteen credits required for the Certificate of Online Teaching and Learning could therefore be an attractive route for both certification and reclassification.

Hawai‘i Data Exchange Partnership’s [Postsecondary to Workforce dashboard](#) reflects the likelihood of increased wages for graduates of the proposed program. Of existing programs, the Master of Education in Teaching is a close match, in that graduates are licensed and hold additional credits for reclassification. The data below shows that such graduates earn higher wages than bachelors or post-baccalaureate certificate holders.

NEW PROGRAM DESCRIPTION

The Graduate Certificate in Online Learning & Teaching (COLT) in Learning Design and Technology requires completion of a *minimum* of 15 credit hours of coursework after admission to the program. Students typically complete the required coursework in 1-2 years. LTEC’s COLT program includes **Core Courses** (9 credits) and **Elective Courses** (6 credits). Each student’s program will be individually designed with their advisor.

The core courses are designed to provide students with an in-depth knowledge of the theory, skills, and practice that guide the profession of learning design and technology. Elective courses are selected by the student in consultation with an advisor to provide support for the individual’s topic of interest; these may be additional LTEC courses or classes offered by other disciplines at UHM with permission.

The Certificate program requires successful completion of a culminating, integrative experience by which students demonstrate their mastery of design and implementation, which can be in a K-12 context for those intending to add a field to a teaching license. This may be achieved through an internship, project,

or electronic portfolio in which a student demonstrates mastery of program objectives, most typically by designing, developing, and evaluating a distance learning experience. This project is completed in the final course, LTEC 632: Developing Online Learning. Students are additionally required to develop a formal presentation for an online international conference, the TCC Worldwide Online Conference, to present the results of their project in a public and professional context.

COURSEWORK SPECIFIC TO NEW PROGRAM

Course	Description
LTEC 612 Introduction to Online Learning <i>Name change pending from: Introduction to E-learning (3)*</i>	Introduction to principles of online learning and their application in instructional settings.
LTEC 673 Designing Online Learning <i>Name change pending from: Planning for Technology & Resources (3)*</i>	Planning, needs assessment, standards and learning theory applied to the design of online learning and assessment plans.
LTEC 632 Developing Online Learning <i>Name change pending from: Developing eLearning Environments (3)*</i>	Design and development of online instruction for educational and training settings. Implementation of online course elements and strategies for content delivery, course management, student interaction, course evaluation and assessment of student learning.
LTEC 4/600 Elective TBD with advisor (3)	
LTEC 4/600 Elective TBD with advisor (3)	

* See Appendix B for UHM Course Change forms

Elective courses are generally selected from 400-level and 600-level courses within the LTEC department. Electives provide all students with a solid foundation in educational technology theory and practice while advancing their knowledge in an area of emphasis unique to each student. With advisor approval, a limited number of courses may be taken in another discipline outside of LTEC if these would contribute to the area of emphasis.

EXAMPLE ELECTIVES

LTEC 414 Educational Media Technology (3)

Introduction to educational technology theory and practice with an emphasis on meaningful integration of technology and media into a variety of face-to-face and online learning environments for diverse populations. A-F only. Pre: upper division standing.

LTEC 415 Technology for Teachers (3)

Introduction to the application of educational technology in teaching and learning using strategies in design, selection, development, integration, and evaluation. Interactive delivery via distance education technologies. A-F only. Pre: basic teaching certification.

LTEC 430 Video Technology (3)

Overview of video uses in educational contexts. Includes video planning, production, and simple editing procedures, as well as selection, evaluation, and integration into learning plans. Pre: upper division standing.

LTEC 442 Technology in Education (3)

Planning and implementation of computer systems and applications for effective integration into classroom settings. Emphasis is on methods and strategies for using digital technologies to enhance standards-based learning by K-12 students. Pre: upper division standing.

LTEC 448 Social Media: Links to Lifelong Learning (3)

Exploration of social media and effects on individuals, communities, and world. Analyze and evaluate impacts of social media and ethical implications. Service learning component and research project link social media to personal fields of study. Pre: upper division standing (junior or higher).

LTEC 461 Foundations in Design Thinking (3)

Using real-world problems, students learn a creative problem-solving process that is human-centered and iterative, and practice design thinking mindsets (embracing ambiguity, learning from failure, and bias toward action) as they tackle the problem. A-F only. (Alt. years) LTEC

620 Visual Design (3)

Theory and practice involved in planning educational/instructional graphic and photographic material for print and computer-based media. LTEC majors only or consent. A-F only.

LTEC 622 E-learning Theory and Design (3)

Principles of e-learning theory as well as design and development for instruction. Application to new media and web authoring. Repeatable one time. Pre: LTEC majors or consent. A-F only.

LTEC 623 Digital Video Design (3)

Development and utilization of digital video for the purpose of improving the teaching-learning process. A-F only. Pre: LTEC major or consent.

LTEC 641 Emerging Technologies for K-12 Teaching (3)

Exploration and impact of emerging technologies in K-12 classroom teaching and learning and ramifications of these technologies on administrative structure of schools. A-F only. LTEC majors only or consent.

LTEC 642 Facilitating E-learning Communities (3)

Exploration of tools and design considerations for effective online communication and development of learning communities. Pre: LTEC major or consent

LTEC 643 Educational Technology in Informal Learning Environments (3)

Exploring the nature, application, and use of educational technology in informal learning environments, such as museums, cultural institutions, tourist attractions, and visitor information centers. Focusing on the analysis, selection, and development of various media choices. A-F only. Pre: LTEC major or consent.

LTEC 647 (Alpha) Learning with Emerging Technologies (3)

Exploration and evaluation of new tools and strategies for teaching and learning. (B) mobile learning; (C) free/open software; (D) educational games and simulations; (E) critical trends. Repeatable one time per alpha. A-F only. Pre: LTEC major or consent. (Fall only for (B) and (D)) (Spring only for (C) and (E))

LTEC 651 Interactive Multimedia Production (3)

The utilization and application of advanced authoring tools, combining video, animation, graphics, and sound to develop student-centered learning. Primarily for advanced LTEC students. LTEC majors only or consent.

LTEC 652 (Alpha) Authoring E-learning Environments (3)

Conceptualization of instructional design and its application to the development for e-learning environments: (B) assisted instruction (CAI); (C) managed instruction; (D) virtual reality; (E) animation. Repeatable two times. LTEC majors only or consent. A-F only.

LTEC 654 Programming for Games and Simulations (3)

Project-based exploration of the breadth of programming in the context of educational games and simulations. A-F only. Pre: LTEC major or consent.

LTEC 661 Design Thinking for Creative Problem Solving (3)

Using real-world problems, students learn an agile design and problem-solving process that is human-centered, iterative, and cultivates individual and group creativity. Repeatable three times. A-F only.

LTEC 662 Assessment and Evaluation in Educational Technology (3)

Evaluation and assessment processes, sources, and instruments applicable to systematic appraisal of learning with technology. Repeatable one time. A-F only. Pre: LTEC major or consent.

LTEC 672 Distance Education Technology (3)

Technical and instructional considerations for developing, delivering, managing, and evaluating distance education including voice, video, print, hypermedia and data transmissions. Pre: LTEC major or consent.

LTEC 674 (Alpha) Technical Issues in Educational Technology (3)

Applying theory of management in instructional technology support services and delivery systems. (B) management; (C) systems; (D) networks. A-F only. Pre: LTEC major or consent.

LTEC 676 Social and Ethical Issues in Educational Technology (3)

Examination of social and ethical issues as they relate to technology in instructional settings. Focus on social justice and societal impact. A-F only. Pre: LTEC major or consent.

LTEC 682 Cognition and Technology (3)

Interdisciplinary course that introduces a range of empirical research examining aspects of cognition such as attention, memory and learning, and how technologies can enhance and/or hinder these cognitive processes. Repeatable 3 times. A-F only.

LTEC 686 Information Literacy and Learning Resources (3)

Process approach to teaching information retrieval, analysis, and use. Emphasizes concepts, practices ineffective instructional design, selection of resources that meets learning needs.

Required for Librarian HDOE licensure. A-F only. Pre: LTEC majors or consent. (Cross-listed as EDCS 686 and LIS 686)

LTEC 689 LTEC Training and Evaluation Practicum (3)

Practicum in educational technology training and evaluation in formal and informal settings, under close supervision, plus class meetings in hybrid format. Repeatable unlimited times. LTEC majors only or consent. Pre: instructor consent.

LTEC 692 Practicum in E-learning (3)

Practicum in e-learning in academic or non-academic settings, under close supervision, plus regular class meetings. Repeatable three times. LTEC majors only or consent. A-F only.

ASSESSMENT A: ONLINE LESSON

Please fill out all applicable fields. N/A where not applicable. Date is when shared with the candidate.

Candidate		Date	
Instructor		Date	
Course	LTEC 612	Semester/ Year	

Overview and Directions

The Online Lesson project integrates all phases of instructional design through the analysis, design, development, implementation and evaluation of an online lesson. It establishes the core skills and abilities for online instruction, including the opportunity to examine effects on student learning, reflect and revise.

This assessment allows the student and instructor to reflect on candidate's performance, engage in relevant discussion about standards and performance while preparing for the broader challenges of design and delivery of entire courses. This assessment will be completed following the Online Lesson project in LTEC 612.

Candidates are scored using the following rubric. **For each criterion, note an "X" in the appropriate column. Specific and observable written evidence must be included in the comments if the candidate/applicant is being scored either "Needs Improvement" or "Exceeds Expectation."**

- **N** = Not Applicable or not observed (in cases where specific dispositions may not apply)
- **NI** = Needs Improvement. Does not meet all of the indicated criteria. Comments required.
- **ME** = Meets Expectations. Meets all of the indicated criteria.
- **EE** = Exceeds Expectations. Performs above and beyond all indicated criteria. Comments required.

Course	LTEC 673	Semester/ Year	

Overview and Directions

Establishing and maintaining appropriate professional dispositions is essential to being a successful teacher. COLT candidates must demonstrate appropriate dispositions in all aspects of their professional lives, including: UHM classes, public and private settings, face-to-face and online. This assessment is a tool to reflect on candidate performance, engage in relevant discussion about dispositions, and help candidates work to maintain and/or develop appropriate dispositions. This review may be initiated by any UHM faculty member, during any point in the COLT program; but will be completed once at a minimum.

Candidates/applicants are scored on their professional dispositions using the following rubric. **For each disposition note an “X” in the appropriate column. Specific and observable written evidence must be included in the comments if the candidate/applicant is being scored either “Needs Improvement” or “Exceeds Expectation.”**

- **N** = Not Applicable or not observed (in cases where specific dispositions may not apply)
- **NI** = Needs Improvement. Does not meet all of the indicated criteria. Comments are required.

LTEC 612 ASSESSMENT - ONLINE LESSON PROJECT

The Online Lesson project is scaffolded to be completed over the course of LTEC 612. By working on each component in order, students will study the instructional design and online delivery process in depth, while building an aligned and ready-to-use lesson that another instructor can easily use.

The Online Lesson project makes frequent use of peer review. You will be offering constructive commentary to your classmates, and receiving constructive feedback on your own work.

LTEC 673 ASSESSMENT - ONLINE COURSE PLAN

The Online Course Plan is a scaffolded design project, building a full course design over the semester. It expands on the core skills and abilities for online instruction, including the planning for course level outcomes and assessment of student learning. This assessment is a tool to reflect on a candidate's ability to plan at the course level, engage students with content and community, and plan for assessment of course learning outcomes.

Six Stages of Course Design

- 1. Topic & Intended Audience**
- 2. Outcomes**
- 3. Course Outline**
- 4. Activities to Deliver Content and Engage Students**
- 5. Community Building Activities**
- 6. Assessment of Student Learning**

LTEC 632 ASSESSMENT - ONLINE COURSE

Designing and developing a mini online course is the main project in LTEC 632 (aligned to all course learning outcomes or CLOs). Use this opportunity to build upon and gain new skills during your educational technology journey. Your mini online course should be the equivalent of a one-credit online course (not a full-blown sixteen week, three-credit course). It must include all the elements to support learning of an online course (e.g. course goals & objectives, content, interactive learning activities, assessment, visual design, etc.).

The mini online course project consists of a final product and a series of sub-assignments aimed at helping you to break down the online design and development process into manageable chunks. Mai poina (Don't forget) to reference how your project will be evaluated as you begin working on your project.

Project Milestones

Reference your LTEC 632 Course Schedule at a Glance or Canvas for deadlines.

Faculty Member Name	Highest Degree & Area of Concentration	Role in Program	Professional Experience Relevant to Program
Paul McKimmy	Ed.D. Educational Leadership	Instructor, Program Coordinator	Current: Director of Technology & Distance Programs at College of Education. 20 years as faculty, Learning Design & Technology dept., Instructional design and faculty professional development.
Dorothy Hirata	Ph.D. in Curriculum & Instruction (emphasis on online learning)	Instructor	Current: Instructional Design Manager supporting strategic online learning initiatives & faculty and staff professional development across the UH System. 18+ years instructional design, online learning, professional development for pre-K through higher ed faculty; certified Quality Matters course reviewer, Distance Education Accrediting Commission (DEAC) subject specialist reviewer. Former Director of Distance Learning at Kamehameha Schools.
Mary Hattori	Ed.D. Professional Educational Practice	Instructor	25 years as lecturer in educational technology; 12 years as Director of Technology; Cooperating and Affiliate Graduate Faculty for several UH programs
Michael Menchaca	Ed.D. Educational Technology	Professor	25 years experience teaching online in educational technology; co-designed and directed multiple, fully online programs over 25 years; co-edited ISTE Standards books; Quality Matters rubric reviewer; peer-reviewed journal publications in online learning and teaching
Curtis Ho	Ph.D. Educational Technology	Instructor	30 years experience teaching in Educational Technology. Retired full professor.

ADDITIONAL INFORMATION

The COLT program is guided by National Standards for Quality in Online Teaching (NSQ): Professional Responsibilities (A), Digital Pedagogy (B), Community Building (C), Learner Engagement (D), Digital Citizenship (E), Diverse Instruction (F), Assessment & Measurement (G).

Recommended core course sequence:

LTEC 612: Introduction to Online Learning

LTEC 673: Designing Online Learning

LTEC 632: Developing Online Learning (prerequisite: LTEC 673)

<ul style="list-style-type: none"> Assessment and curriculum matrix (Excel sheet attached) <ul style="list-style-type: none"> Please provide more detail on how each standard is being addressed by the assessment components. Currently, parts of assessments A, B, and D are being used to address multiple standards. However, it is unclear how the final score for each part is tabulated. Can a candidate fail one standard out of the 3 or 4 the part is addressing but still received ME or EE? 	<ul style="list-style-type: none"> The following was completed to address these questions <ul style="list-style-type: none"> Excel spreadsheet was completed indicating which standards are addressed by each assessment and is attached If candidates fail any single standard, they automatically earn an “NI” for the entire assignment Candidates are provided the opportunity to resubmit assignments to correct standard deficiencies
<ul style="list-style-type: none"> Please confirm that the main 3 courses (LTEC 612, 673, 632) will address all NSQ and InTASC Standards. 	<ul style="list-style-type: none"> Matrix (Page 10) reviewed and with corrections provided (see below), all NSQ and InTASC standards are confirmed addressed
<ul style="list-style-type: none"> Matrix on page 10 does not match course outlines listed. It will be helpful to go through the document and make sure that the information provided is consistent. This will limit confusion on the reviewer’s part. <ul style="list-style-type: none"> Example: LTEC 612 on page 10 address 3 NSQ standards. However, on page 12 course 	<ul style="list-style-type: none"> Application was thoroughly reviewed. InTASC standards added to all rubrics. Page 10, Matrix table, LTEC 632, Teaching row, NSQ column:

<p>LTEC 612 lists 4 NSQ standards</p> <ul style="list-style-type: none"> ○ Example: LTEC 632 on page 17 has NSQ standard H, but the matrix on page 10 does not list NSQ standard H at all 	<p>Changed from “NSQ: B, C, D” to corrected “NSQ: A, B, C, D, H”</p> <ul style="list-style-type: none"> ○ Page 10, Matrix table, LTEC 632, Effect on Student Learning row, NSQ column: Changed from “NSQ: B, D, E, F” to corrected “NSQ: D, E, F, G” ○ Page 12, Effect on Student Learning rubric: Changed from “NSQ Standards B, D, E, G” to “NSQ Standards D, E, G”
<p>On page 10 of the report:</p> <ul style="list-style-type: none"> • The team was unclear how the InTASC standards (4) and the NSQ standards (A, B) related to this part of the chart since these standards were addressed in the courses mentioned in the above chart. • How does a grade of C+ or greater correlate with the Rubric outlined for each course? Does an EE equal an A and a NI equal a C? 	<ul style="list-style-type: none"> • The courses referred to for ‘End of Program’ include those required core courses for the program (e.g., LTEC 612, 673, and 632). All INTASC and NSQ standards are addressed through these three required core courses. Candidates will take other electives; however, the required courses will be the courses tracked for completion of all required standards by candidates. • The final culminating project completed at the end of the program addresses INTASC 4 and NSQ A&B. In addition, the standards indicated here were those focused solely on the Assessment Type (Column 3) for “Content Knowledge” and not all standards. This is the reason for listing these standards as ‘End of Program.’ • (For bullet 2): While assessments are specific, grading is holistic. The entirety of a student’s assessments and the quality of their work is considered. Standards assessments would be tracked independently of grades. • Clarification: All INTASC and NSQ standards will be addressed by the end of the program.
<ul style="list-style-type: none"> • The team noticed that some of the rubrics have a main bulleted NSQ Standard and sub-bullets (set of indicators) below each standard. If a student has not met a particular standard, they will have the opportunity to revise/resubmit.</p>
<p>On Page 10: It was indicated that no HTSB Specific Requirements will be addressed. It seems that some of the NSQ Standards like Standard A9 and Standards F1-F3 would address support for diverse learners (see below). The NSQ Standards may address some of the Hawaii Specific Requirements outlined in Hawaii Administrative Rules. The program may want to include this in their table found on page 10.</p>	<p>This program does provide students with the opportunity to meaningfully identify and use practices and accommodations to address the range of K-12 students' language and learning strengths and needs.
