

TITLE: Participation in American Council on the Teaching of Foreign Languages (ACTFL) Training and Test Development

The Hawaii Teacher Standards Board approves participation in ACTFL training and test development process in conjunction with the University of Hawaii-Manoa to develop a language test in Hawaii language and train test reviewers. The Executive Director shall work with UH-Manoa and ACTFL in reviewing the process and report progress to the Board after training is completed and after the test is developed for adoption by the Board.
