TITLE: State Approval of University of Hawai'i-Manoa Visual Arts Educator Preparation Program

The Hawaii Teacher Standards Board approves the following recommendations of its Educator Preparation Program Review Team for University of Hawai'i-Manoa:

The University of Hawai'i-Manoa Visual Arts Teacher Education Program is granted Continuing Approval with the following conditions, effective November 1, 2013 through December 31, 2020. The program may recommend candidates for licensure in:

Art 6-12.

The University of Hawai'i-Manoa is in the process of developing common assessments across all programs and content areas and incorporating the edTPA rubrics and requirements. Rather than revising the current assessments, the University of Hawai'i-Manoa Visual Arts Teacher Education Program must submit to the HTSB by July 1, 2014:

1. A rubric for Planning Instruction in Visual Arts that clearly describes the performances required of the teacher candidates to indicate mastery of the standard. The rubric must also have objective descriptors that clearly indicate what the teacher candidates should know and be able to do at the different levels.
2. A rubric for the Evaluation of Student Teachers in Visual Arts that clearly describes the performances required of the teacher candidates to indicate mastery of the standard. The rubric must also have objective descriptors that clearly indicate what the teacher candidates should know and be able to do at the different levels.
3. A rubric for the Evaluation of the Teacher Work Sample in Visual Arts that clearly describes the performances required of the teacher candidates to indicate mastery of the standard. The rubric must also have objective descriptors that clearly indicate what the teacher candidates should know and be able to do at the different levels.

Should the program fail to submit any report or verification required above their continuing approval will lapse on the date following the missed deadline.

The unit must explain any changes to this program in its Annual Report due each year to HTSB.

A letter shall be sent to the University of Hawai'i-Manoa on behalf of the Board to communicate this decision.
