

New Business Item 15-29

Introduced 4/15/2016

Approved 4/15/2016

**TITLE: Clarification of Leeward Community College Special Education
Program Request**

The Hawaii Teacher Standards Board acknowledges Leeward Community College's (LCC) clarification of their original Letter of Intent which requested approval to develop an "added field" Special Education PK-12 educator preparation program. LCC intends to create a program that will provide both initial licensure and opportunities to Hawaii teachers to add this field to an existing license.
