**TITLE: Consideration of Extension of State Approval of Kaho`iwai for  
Review by the World Indigenous Nations Higher Education  
Consortium**

---

The Hawaii Teacher Standards Board grants a one year extension of Kaho`iwai's state approval so the unit may be reviewed by the World Indigenous National Higher Education Consortium (WINHEC). The WINHEC Board of Accreditation has accepted Kaho`iwai's Letter of Intent to participate in their review process.

The unit's state approval will now expire on June 30, 2019, to allow additional time to prepare for and participate in the new WINHEC teacher education review process. An HTSB staff will participate as an observer in the review.

A memorandum will be sent to the unit informing them of the Board's state approval.
