**EXECUTIVE DIRECTOR'S REPORT:**

Executive Director Villalobos submitted her report to the board as written.

- Licensing/Customer Service Data: July 1, 2021 to June 30, 2022  
pulled from the Licensing Management System (LMS)
  1. On-Line System Website:
    - a. 60,000+ Visitor log-ins
    - b. 7,629 New applications
    - c. 5,477 Licenses or permits processed
  2. Customer Service Data from Voluntary Surveys
    - a. 13,000+ messages sent by Licensing Specialists, the majority through the "Contact HTSB" message tab and also by email and phone
    - b. 80% Positive Customer Service Experience and we continue to work on improving our Customer Service
    - c. Feedback received regarding updating the website to make it easier to navigate which we will be working on in the future
    - d. Educator Preparation Programs Surveys (In-State and Out-of-State)
  3. This is always a work in progress and we are always trying to improve and gather more data for the board and for the public

Board Member Moriarty commended Executive Director Villalobos and her staff for putting this data together and for the insights it provided her to understand the budget and workload trends in the office. She asked about the average processing time for applications and if it is trending to be more time or less time given the current office situation. Executive Director responded that as the board requires more documents for validation such as a valid I.D, Social Security Card, and really vetting the documents and transcripts that are submitted, renewal longevity takes longer. Our renewal process has changed from how it was done in the past so that it is more in line with board policy. This has extended the time to process applications. Currently, there are only two Licensing Specialists that work really hard to process all of the applications. The third Licensing Specialist is a Professional Fitness Specialist. We are currently working on expanding our licensing staff and will be conducting interviews next week.

Board Member Moriarty requested permission to share this report with the Board of Education because it has valuable contextual information for understanding the current state of our teacher readiness. Executive Director Villalobos stated that it is a public document so it is free to be shared. The board and the public will be receiving updated licensing information at every board meeting.

- Teacher Compact Update
  1. There is currently a nationwide Teacher Compact being formed which is similar to the nurses compact that allows mobility of licenses from state to state.
  2. The deadline for educational stakeholders to submit comments was earlier today. Executive Director Villalobos sent a survey out to Hawaii educational stakeholders including legislators to have input on this Teacher Compact.
  3. Now that the Compact is closed for public comment, we should be receiving an email detailing the next steps. The board will be informed along the way on the next steps and how it will impact our state.
- New Office Space Update
  1. The lease has been signed and we are now allowed to use the new office space. Executive Director Villalobos thanked the board for approving the office expansion.
  2. The space is currently a blank canvas and we are now working on the build-out.
  3. For board meetings that will be held in the new space, we will be moving toward the Board of Education and Charter Commission model of half remote and half in-person board meetings for individuals that can make it.
- OTM Document Partnership
  1. HTSB has partnered with OTM to streamline the document process to make it easier for individuals who would like to teach in the State of Hawaii.
  2. When a teacher applies for a license, they must provide documents to HTSB as well as similar documents to the Department of Education for processing which is almost a duplicate process.
  3. HTSB and OTM have been working to merge the documents so they will be acceptable to both offices. An applicant will only need to submit the documents one time.
  4. The documents have been approved by both sides so HTSB will be uploading them to accounts and is updating the HTSB website to house these documents.

Board Member Bacon thanked the HTSB from OTM's perspective, of working together on the project and feels that it will really help to streamline the process for applicants with documents for both sides. He stated that this is a really positive initiative.

**FINANCIAL UPDATE: Justin Mew**

- SY 2021-2022 Summary Report of the Last School Year
  1. Board Member Mew reviewed the HTSB Annual Budget Report for School Year 2021-2022.
  2. There were items that were budgeted for but the funds not expended.
    - a. Due to COVID, travel to conferences and in-person meetings were canceled or reduced.
    - b. Model Code of Ethics for Educators (MCEE) trainings were budgeted for. HSTA held MCEE courses during SY2021-2022.
    - c. HTSB was fiscally prepared for the expense of making changes to the HTSB website. However, there was no data that suggested they were needed at that time,
    - d. All Budget Line Item expenses were within the budgeted amounts and HTSB is fiscally healthy.
  3. Board Member Mew congratulated the staff for managing what needed to be done during the pandemic last year and kept it under costs.
- SY 2022-2023 Current School Year-to-Date as of August 31, 2022
  1. Board Member Mew reviewed the HTSB Budget Report for School Year 2022-2023, as of August 31, 2022 which shows that HTSB is in good shape.
  2. Budget Line Item 4, "Office Lease & CAM" is funded to cover the costs of the combined office spaces of Suite 268 and Suite 265. The expanded office will provide the needed space for the anticipated increase in staff. The increase in staff will provide more lines of service for our teachers.
  3. As a principal, Board Member Mew feels that we need our teachers licensed and delays are tough. HTSB staff has been excellent in pushing through yet making sure everyone is licensed in our schools.
  4. Budget Line Item 9 is funded to cover training and meeting expenses for licensing, professional development, and ethics that are all related to the job.

Board Member Bacon asked for clarification of the budgeted amount for Office Lease & CAM. He wants to make sure that there is enough funding so that HTSB is supported with the new expansion.

Executive Director Villalobos confirmed that the budgeted amount includes the rent and CAM expenses for both office spaces.

**LICENSING UPDATE: Tracey Idica**

- License Renewal Processing
  1. The Licensing Specialists have been very busy with licenses and there is a multitude of reasons for that.
  2. With the new renewal process, there were teachers that did not realize they needed to upload documents this year. At the beginning of the school year, quite a few teachers were found to be tardy in getting their licenses ready.
  3. Because Licensing Specialists Idica and Rodriguez come from a teacher perspective, they understand how incredibly important it is for teachers to be licensed and to have licenses. For the safety of our children, applicants must go through the process of being vetted through NASDTEC and meet all other requirements.
  4. Licensing Specialist Idica is proud that they were able to get everything done and keep it to a reasonable amount.
  5. The question came up earlier about the length of time it takes to process an application. Here is background information in terms of the numbers and how the time frame works:
    - a. If everything is in order, the teacher has uploaded everything they need and it's easy to verify, it could be done in 10 to 15 minutes.
    - b. If documents are questionable, documents are missing, or the applicants don't understand what they need, it can take days.
    - c. It can take weeks or months depending on how quickly the applicant responds back to HTSB.
    - d. For many of our teachers, they apply in January to start the renewal process but don't upload their I.D. until June when they receive a reminder that it has not been received. Their application will look like it took six (6) months to approve a license when it really took six (6) months for the applicant to upload their I.D.
- Model Code of Ethics for Educators
  1. Licensing Specialist Rodriguez has been doing a lot of work with the Model Code of Ethics for Educators (MCEE.)
  2. He has had Dr. Troy Hutchings here and has run the MCEE Consortium with EPPs.
- Statewide National Board Collective
  1. Licensing Specialist Idica has been doing a lot of work on National Board projects.
  2. She is working with amazing teachers on the Statewide National Board Collective, including Dr. Jonathan Gillentine who is a member of the HTSB board.

**PRESENTATION:**

Mr. Kevin Costa, Director, Education Solutions

- LMS Technical Framework Modernization

Board Member Bacon thanked Mr. Costa for the presentation. It is a good reminder, showing again that both the Department of Education and HTSB are really trying to work together to take down some of the barriers for the teachers, streamline and share information. We must also ensure that we have done the appropriate and proper checks, both on the DOE side and on the HTSB side, to make sure we have appropriately licensed teachers that went through the right safeguards.

Board Member Bacon appreciates the hard work by Executive Director Villalobos and the licensing specialists to ensure that we can continue to do the right things for our teachers so we have the right licensed teachers in the classrooms.

**TITLE: Teacher Candidate Praxis Test Requirements for Hawaii State Approved Teacher Education Programs**

---

The Hawaii Teacher Standards Board approves the following requirements for all teacher candidates enrolled in Hawaii State Approved Teacher Education Programs (SATEP):

In the interest of ensuring quality candidates for licensure, Hawaii teacher education institutions shall require that their candidates demonstrate knowledge of basic skills in reading, writing and mathematics by passing the Praxis Pre-Professional Skills Test (PPST) prior to admission into a State Approved Teacher Education Program.

Therefore, effective January 1, 2011, all those applying to Hawaii SATEPs must submit passing scores for the Praxis Pre-Professional Skills Tests in Reading, Writing and Mathematics or basic skills tests required by another State for licensure prior to admission to the SATEP.

For candidates admitted to a SATEP before August 1, 2011, candidates must pass the content test(s) required by the state for licensure prior being recommended by their SATEP to HTSB for licensure. In the absence of a Hawaii validated content test, candidates shall have satisfactorily completed a college major or a minimum of 30 college credits in the subject area to be taught prior to being recommended by their SATEP to HTSB for licensure.
