826	<p><u>Limited duty special permits for Hawaiian education shall be renewable once for an additional five (5) years provided that the individual continues to meet the permit criteria.</u></p>	<p><u>Limited duty special permits for Hawaiian education shall be issued one year at a time for a term of five years and shall be renewable once for an additional five (5) years, issued one year at a time, provided that the individual continues to meet the permit criteria.</u></p>	<p>The Office of Hawaiian Education (OHE) requested this change in the way Hawaiian Permits are issued. OHE reported that at the time of the original development of this permit, their intake process was not well developed, and they now realize the need to see candidates. This change will help OHE ensure a high level of quality teachers for their students.</p>
1716	<p>§8-54-23 Recommendations for approval. (a) Provisional review teams may make the following recommendations to the board:</p> <ul style="list-style-type: none"> (1) Provisional approval; (2) Provisional approval with unit conditions and/or program areas for improvement; or (3) Deny approval. <p>(b) Unit and program reports from continuing reviews conducted by national accrediting bodies will be submitted by the unit and programs and considered by the board for continuing seven (7) year state approval.</p>	<p>§8-54-23 Recommendations for approval. (a) Provisional review teams may make the following recommendations to the board:</p> <ul style="list-style-type: none"> (2) Provisional approval; (2) Provisional approval with unit conditions and/or program areas for improvement; or (3) Deny approval. <p>(b) Unit and program reports from continuing reviews conducted by national accrediting bodies will be submitted by the unit and programs and considered by the board for continuing seven (7) year state approval <u>or for continuing state approval for the full term of their accreditation by an external accrediting body recognized by the Hawaii teacher standards board.</u></p>	<p>The University of Hawaii at Manoa Library Science Teacher Preparation Program requested this change, to avoid duplication of resources in participating in more than one national accreditation review of their program. This will allow programs that obtain national or international accreditation to receive state approval for the same term of their national or international accreditation.</p>
