Aloha pumehana kākou,

My name is Rebecca Kapolei Kiili. Please accept my written testimony in support of NBI 24-06 Adoption of Revised Hawaiian Program Standards. As a participating member of the Hawaiian Work Group representing the Hawai‘i State Teachers Association, I believe that adopting the revision to the standards will support our Hawaiian Educator Preparation Providers (EPP) to continue their good works with educator preparation.

I would also like to humbly request that the spelling of my name as a contributing participant be corrected to include my first name along with corrected diacritical markers. Please revise my name to read: Rebecca Kapolei Kiili.

Thank you for your time and attention to my request for the correct spelling of my name.

Sincerely,
Rebecca Kapolei Kiili
