Have questions about our program options in education?

Meet with our College of Education Recruitment Specialist

The College of Education recruitment specialist at UH Mānoa supports prospective students in learning more about different programs & pathways available, including:

- Pathway to becoming a licensed teacher in Hawai'i (career benefits & salary)
- Teacher licensure programs (options, program design and format, eligibility criteria, funding available)
- Graduate programs and other professional development options (for licensed teachers or others interested in education-related fields)
