

**TITLE: Content Requirements for State Approved Teacher Education
Secondary Programs**

The Hawaii Teacher Standards Board approves the following content area criteria for State Approved Teacher Education (SATE) Secondary Programs to recommend a teacher candidate for licensure in fields other than the specific approved license areas in their Secondary Program(s):

- The candidate must satisfactorily complete student teaching or validation of student teaching in the license field;

AND

- The candidate must meet one of the following conditions:
 - Pass the Praxis II subject area examination(s) validated for Hawaii in the license field(s) being pursued; or
 - Possess a major in the license field, documented by an official transcript from a regionally accredited institution; or
 - Earn thirty credit hours in the license field, including twenty hours in upper division or graduate level courses, documented by an official transcript from a regionally accredited institution; or
 - Possess an advanced degree in the field, documented by an official transcript from a regionally accredited institution.
