

New Business Item 17-19
Introduced January 19, 2018
Approved January 19, 2018

**TITLE: University of Hawaii at Manoa Modification of State Approval of
World Language Programs**

The Hawaii Teacher Standards Board approves the addition of Korean and Samoan languages to the UH Manoa World Language Program. The program curriculum will be the same as for other languages in the program, and student teaching and content knowledge will be evaluated using the same methods as other languages.

After Board approval, these programs may recommend candidates for the following additional license fields:

Korean 6-12
Samoan 6-12

A memorandum will be sent to the unit informing them of the Board's approval.
