

New Business Item 19-20

Introduced January 24, 2020

Approved January 24, 2020

TITLE: Addition of New License Fields and Levels

The Hawaii Teacher Standards Board approves the addition of the following new license fields:

New field:

Geometry 6-12

New levels for existing fields:

Science Technology Engineering Mathematics (STEM): new level of K-12

SPED Blind/Visually Impaired: new level of P-12

These license fields will be available for initial licenses and for use as an added field to existing Hawaii licenses.
