Introduced September 18, 2020
Approved September 18, 2020

TITLE: Consideration of the University of Hawaii at Manoa's Request to Reinstatement the Health Licensure track in Their Bachelor of Science in Kinesiology and Rehabilitation Science and Post-Baccalaureate Program in Secondary Education

The Hawaii Teacher Standards Board grants the request of the University of Hawaii at Manoa College of Education to reinstate the licensure field of Health into these programs, which were formerly Health and Physical Education teacher education programs.

University of Hawaii system approval to reinstate these tracks and a listing of Health coursework is attached.

These reinstated tracks will allow individuals to be recommended for the following license fields:

- Health K-6
- Health 6-12
- Health K-12

Candidates recommended for Health K-12 must participate in student teaching placements in both K-6 and 6-12 levels.

The effective date of this approval is September 18, 2020. The unit must include information about this new track in its annual report and in its next unit review.

A memorandum will be sent to the unit informing them of the Board's state approval.
