

New Business Item 21-31

Introduced March 4, 2022

Approved March 4, 2022

**TITLE: Consideration of The University of Hawaii at Hilo's Request to Add
Secondary (6-12) Content Fields to Existing Licensure Program CTE Natural
Resources, STEM, Computer Science, and Health Program**

The Hawaii Teacher Standards Board approves The University of Hawaii at Hilo's request to add content fields to their existing secondary (6-12) licensure programs at the MAT level in the following fields:

- CTE Natural Resources 6-12
- STEM 6-12
- Computer Science 6-12
- Health 6-12

A letter will be sent to the University of Hawaii at Hilo informing them of the Board's decision.
