

**New Business Item 21-32**

Introduced March 4, 2022

Approved March 4, 2022

**TITLE: Consideration of The University of Hawaii at Manoa’s Request to Add Secondary (6-12) Content Fields to Existing Licensure Programs**

The Hawaii Teacher Standards Board approves The University of Hawaii at Manoa’s request to add content fields to their existing secondary (6-12) licensure programs at the following levels:

- Bachelor of Secondary Education (BEd)
- Post-baccalaureate Certificate-Secondary
- Master of Education in Teaching (MEdT) Secondary

There will be no curriculum changes in the major requirements for the existing programs. All degree programs are accredited by the Association for Advancing Quality in Educator Preparation Provider (AAQEP).

Teacher candidates completing these programs may be recommended for licensure in the following fields:
