

TITLE: Granting Hawaii State Approved Teacher Preparation Providers with Approved Math Programs the Option to Recommend within the Mathematics License Fields

The Hawaii Teacher Standards Board (HTSB) grants HTSB approved Educator Preparation Providers (EPP) with approved secondary math (6-12) licensure programs the option to recommend teacher candidates in the following math fields:

- Algebra 1
- Geometry

The HTSB approved EPP will be allowed to recommend their teacher candidates in the above math fields if the teacher candidate has met the following requirements:

- Successfully met the content knowledge requirements in the recommended subject area.
- Successfully completed clinical experience in the recommended licensure field.
