**TITLE: Granting Hawaii State Approved Teacher Preparation Providers with  
Approved Math Programs the Option to Recommend in Grade Levels 6-8**

The Hawaii Teacher Standards Board (HTSB) grants HTSB approved Educator Preparation Providers (EPP) with approved Secondary Math 6-12 licensure programs the option to recommend teacher candidates in Mathematics 6-8.

The HTSB approved EPP will be allowed to recommend their teacher candidates in Mathematics 6-8 if the teacher candidate has met the following requirements:

- Successfully met the content knowledge requirements in Mathematics 6-8;  
and
- Successfully completed their clinical experience/student teaching/internship in the recommended licensure area of Mathematics 6-8.
