

TITLE: Case 25-04

This case has been brought to the attention of the Hawai'i Teacher Standards Board ("HTSB") in this executive meeting to discuss the appropriate action to take on NBI 25-20; Case No. 25-04 pursuant to Hawai'i Revised Statutes §92-5(a)(1), regarding this educator's application for a Provisional License.

In Case No. 25-04, this educator's previous application for a Standard License was denied and a Final Board Order issued due to falsification of a document. This educator has completed the two Ethics courses and provided five letters of recommendation as evidence to resolve the professional fitness matter. The Ethics courses were the ones previously ordered in a falsification of document case.

The HTSB adopts the recommendations of the Executive Director in consideration of Case No. 25-04, which is to resolve the educator's professional fitness matter in this current application for a Provisional License and have the application reviewed by HTSB.
