**TITLE: Consideration of the University of Hawaii at Manoa College of Education's Request to Add an Elementary Education Track to their Post-baccalaureate Certificate for Initial Teacher Licensure**

---

The Hawaii Teacher Standards Board grants the request of the University of Hawaii at Manoa College of Education to expand their existing post-baccalaureate certificate in teacher education by adding an elementary education track. This new proposed track mirrors the HTSB approved post-baccalaureate secondary track, and uses the same course numbers as the secondary track with the exception of one special education course, and observation and participation experiences and clinical experience/student teaching will be field-based.

The new track will allow individuals to be recommended for the following license field:

Elementary Education K-6

The effective date of this approval is September 13, 2019. The unit must include information about this new track in its annual report and in its next state unit review.

A memorandum will be sent to the unit informing them of the Board's state approval.
